Group

A must-win contest for Manufacturing Professionals

# IMTMA-ACE MICROMATIC Productivity Championship Awards 2019

*"Showcasing Competitiveness in Manufacturing"*  
**@ National Productivity Summit  
20 - 21 August 2019, Bangalore**

Manufacturing competitiveness embraces innovation, cutting edge technology, automation, new equipment design, superior machining processes, resource optimisation and a whole gamut of smart and value added solutions. Companies are constantly challenged in all spheres of their business in order to reduce costs through productivity improvement measures, sustain growth and remain competitive.

### In this demanding scenario:

- Has your company created a breakthrough in technology?
- Have you made a paradigm shift in the way you manufacture your products?
- Do you have a path breaking success story that has created significant value for your stakeholders?
- Has your market share improved exponentially?
- Have you developed a sustainable strategy and mechanism to be able to constantly offer innovative solutions to the market?
- Have you developed any patents / IP?
- Have you created a brand equity in the global market place?

If YES, we invite you to compete for the IMTMA – ACE Micromatic Productivity Championship Awards 2019! These awards recognize outstanding efforts in manufacturing that have resulted in breakthrough achievements, set new benchmarks, challenged the existing paradigms and have enabled companies gain a cutting edge in the market place. Participation from leading companies; sharing of experiences; recognition of achievers; and engendering an enthusiastic competitive spirit has contributed to the stature of the Awards.

Winners will be crowned as Productivity Champions and awarded cash prizes upto Rs.10 Lakhs, at the National Productivity Summit 2019, scheduled on 20-21 August 2019, Bangalore, which will witness a large gathering of manufacturing professionals from across the country. We are sure, you wouldn't want to miss this opportunity!

Share your success stories! and Win Cash Awards upto

# ₹10,00,000

### Entries invited from industry sectors:

**Manufacturing industries producing Engineering products / Components**  
Aerospace | Automotive & Auto Components | Consumer Durables | Machine Tools | Tool Rooms | Job Shops | Defence & Railway Units | General Engineering & Industrial Automation | Industrial Machinery (Printing, Packaging, Textile, Electrical) etc.

## Competition open to companies engaged in the manufacture of Engineering products / Components

### How to compete:

- ❖ Companies must submit their Project / Case study that will showcase and highlight breakthrough achievements and have brought in significant competitive advantage to the company through Innovation, Productivity, Technology, New Equipment Design, Solutions to challenges in manufacturing and so on. The project must clearly bring out the Value Creation and results achieved.
- ❖ To participate, download the Entry Form by logging on to [www.productivity.imtma.in](http://www.productivity.imtma.in)
- ❖ The case studies must be submitted through the online portal only. Subsequently the hard copy of the entry duly signed and certified by the senior management should be sent to IMTMA's Bangalore once.
- ❖ Last date for receipt of entries is 15 April 2019

Note : Applicants are assured of the confidentiality and IP rights. Presentations at the summit can contain concepts and broad contours of the project without disclosing confidential information.

**Multiple Entries  
WELCOME**

**Higher WEIGHTAGE for  
projects with INNOVATION**

**RUSH YOUR ENTRIES  
BEFORE 15 APRIL 2019**

### Indicative Streams

Some Indicative streams on which the projects can be chosen for selection of projects:

**Manufacturing  
System  
Redesign &  
Integration**

**Optimizing  
Metal Working  
Process**

**Better Asset  
Utilization &  
Effectiveness**

**Productivity  
Through  
Quality by  
design**

**Control & Data  
Automation  
Digital  
manufacturing  
IOT, I4.0**

**Pioneering  
Out-of-the-box  
Innovation and  
Sunrise  
Technologies**

**Productivity In  
Project oriented  
job shops**

**SPECIAL STREAM FOR  
MICRO & SMALL  
ENTERPRISES**

## Productivity Champions of Yesteryears

**Mahindra**  
Rise.

**Hero**

**SKF**

**MARUTI SUZUKI**  
Way of Life!

**TATA MOTORS**

**BAJAJ**  
MOTORCYCLES

**TVS**

**BOSCH**  
Invented for life

**Goodyear**

**ACE**  
DESIGNERS

**DELPHI-TVS**  
Diesel Systems Limited

**sona**  
THE FUTURE

**BHEL**

**TATA TOYO**

**HAL**

**Lucas-TVS Limited**

**TATA**  
STEEL PROCESSING AND  
DISTRIBUTION LIMITED

**Cammins**

**BHARAT ELECTRONICS**

**TOSHIBA**  
MACHINE

**YUKEN**

**TITAN**

**TVS** Sundram Fasteners Limited

**Rane EVL**

**SHRIRAM**  
PISTONS & RINGS LTD.

**AMARA RAJA**  
Set like a better way

**UCAL FUEL SYSTEMS LTD**  
Fueling a better - growing path of excellence

**Rane TRW**

**TVS** Sundaram - Clayton Limited

**WABCO**

**KEIHIN**

**KTTM**

**Badve Group**

**TOYOTA KIRLOSKAR**  
AUTO PARTS

**VE COMMERCIAL VEHICLES**  
A VOLVO GROUP AND EICHER MOTORS JOINT VENTURE

.... and many more ....

Send in your case studies in the prescribed entry form

To participate, download the Entry Form by logging on to  
[www.productivity.imtma.in](http://www.productivity.imtma.in)

Note : The case studies must be submitted through the online portal only.

### About IMTMA

Constituted in 1946, Indian Machine Tool Manufacturers' Association (IMTMA) is a single point of contact for the machine tool industry in India. The apex body of machine tool industry in the country, IMTMA has a membership of about 500 companies from both the public and private sectors, manufacturing a wide range of metal-cutting and metal-forming machines, accessories, cutting tools and other allied equipment. The association has over the years deeply committed itself to focus on issues of productivity, quality, technology, new product development, design, customer satisfaction, etc. for enhancing competitiveness of the industry in both domestic and overseas markets. IMTMA is proactive in taking new initiatives to promote advancement of metalworking industry in India. IMTMA organises the prestigious IMTEX and Tooltech exhibition, where both Indian and overseas manufacturers showcase their metalworking machines, equipment and tools. Productivity Summit and IMTMA-ACE MICROMATIC Productivity Championship Awards are among the key initiatives of IMTMA.
